Risk Management Policy

Wappenham Parish Council is committed to identifying and managing risks, using the following procedures, and to ensuring that risks are maintained at an acceptable level. Any action that is felt necessary will be taken by the Parish Council in order to minimise or manage all identified risks.

The Parish Council will review risks on a regular basis, including any newly identified risks, and will minute the findings and amend the 'Risk Assessment' as necessary. The review will include identification of any unacceptable levels of risk.

The Local Councils Governance and Accountability Guidance makes the following observations regarding risk management.

1. Risk management is not just about financial management: it is about setting objectives and achieving them in order to deliver high quality public services
2. The new approach places emphasis on local councils strengthening their own corporate governance arrangements, improving their stewardship of public funds and providing assurance to taxpayers.

It goes on to make the point that Members are ultimately responsible for risk management because risk threatens the achievement of policy objectives. Members should, therefore:

- a. take steps to identify key risks facing the Council
- b. evaluate the potential consequences to the Council if an event identified as a risk takes place
- c. decide upon appropriate measures to avoid, reduce or control the risk or its consequences.

The following pages tabulate the identified risks, assess the likelihood and severity of the identified risk and sets in place a management structure for the risk and a suitable review period.

Risk Assessment and Management

Subject	Risk Identified	Risk H/M/L	Management of Risk	Staff Action	I A Freq. Months
Business Continuity	Risk of the Council not being able to continue its business due to an unexpected or tragic circumstance	M	Loss of the Clerk or Council members so as to prevent a quorum being formed.	Loss of Clerk will result in the coverage of this role by other Council members. Loss of Councillors will result in the need to co-option of village members onto the Council at the next meeting	12
Precept	Adequacy of precept	L	Financial + Budget review to ensure expenses to not exceed expectation and precept	Clerk + Council members – actions in 'Minute Book'	12
	Requirements not submitted to SNC	L	Budget review meeting following SNC reminder	Clerk to ensure Precept request is sent to SNC	12
